

# Connected

## Juana

Connected I am a lost cause I am a zero  
Always the victim and never the hero  
I'm a mother's nightmare  
And my daddy don't care  
Slipping out the back door  
Gotta head for somewhere I'm gonna go  
You won't even notice  
I'm gonna go electric  
When I'm on the outside  
That's when it's so right  
Gotta be something real  
Wanna feel connected  
I am the no one  
You are the someone  
Don't you ever think that you got me all wrong  
You have the reasons, I have excuses  
How can you make me feel so useless I'm gonna go  
You won't even notice  
I'm gonna go electric  
When I'm on the outside  
That's when it's so right  
Gotta be something real  
Wanna feel connected Gotta go where I know I won't feel predicted  
I wish somebody somewhere would give me credit  
there, I said it  
you want perfection but I'm  
only human  
So you give me no choice but to  
do what I'm wrong I'm gonna go  
You won't even notice  
I'm gonna go electric  
When I'm on the outside  
That's when it's so right  
Gotta be something real  
Wanna feel connected I'll disappear, don't interfere  
not that I ever expected  
When I'm on the outside that's  
when it's so right  
Gotta be something real wanna

feel connected I am a lost cause

I am a zero

Always the victim but never

the hero
