

Jump in the Fire

Metallica

Down in the depths of my fiery home
Summons bell will chime
Tempting you and all the earth
Join our sinful kind There's a job to be done and I'm the one
People make me do it
Now it's time for your fate
And I won't hesitate
To pull you down into this pit So come on
Jump in the fire
So come on
Jump in the fire With Hell in my eyes
And with death in my veins
The end is closing in
Feeding on the minds of man
And from their souls within My disciples all shout to search you out
They always shall obey
Follow me now my child
Not the meek or the mild
Do just as I say So come on
Jump in the fire
So come on
Jump in the fire Jump by your will or be taken by force
I'll get you either way
Trying to keep the hellfire lit
I'm stalking you as prey Living your life as me, I am you, you see
There is part of me in everyone
So reach down, grab my hand
Walk with me through the land
Come home where you belong So come on
Jump in the fire
So come on
Jump in the fire So come on
Jump in the fire
So come on
Jump in the fire C'mon, jump baby, now
