How It Ends

Seth Knappen

Love is all the world
You say the world is gone
Love is all the world
You say it's gone
I don'tThe party in your eyes
Says someone to caress
A party in the sky
I think I'll wear a dressGod saves us all and tell us how it ends
Laugh till we fall so why can't we be friendsMother taught me what to do in cocktail times
Work and play all day until the sun is high
Haley and the comets sang an old rock jam
The ukulele play another song I'll bragGod saves us all and tell us how it ends
Laugh till we fall so why can't we be friendsStole a lot from Peter
Cause had to pay your Paul
And when you find that's not enough
He'll break your fallSome get on and some
Get off the carousel
I think it's time to go
So I will fare thee wellGod saves us all and tell us how it ends
Laugh till we fall so why can't we be friendsStole a lot from Peter
Cause had to pay your Paul
And when you find that's not enough
He'll break your fall
