

# Since You've Been Gone

## Rainbow

I get the same old dreams, same time every night  
Fall to the ground and I wake up  
So I get out of bed, put on my shoes, and in my head  
Thoughts fly back to the break-up These four walls are closing in  
Look at the fix you've put me in Since you been gone, since you been gone  
I'm outta my head, can't take it  
Could I be wrong? But since you been gone  
You cast the spell, so break it  
Ohh, whoa, ohh  
Since you been gone So in the night I stand beneath the back street light  
I read the words that you sent to me  
I can take the afternoon, the night-time comes around too soon  
You can't know what you mean to me Your poison letter, your telegram  
Just goes to show you don't give a damn Since you been gone, since you been gone  
I'm outta my head, can't take it  
Could I be wrong? But since you been gone  
You cast the spell, so break it  
Ohh, whoa, ohh  
Since you been gone If you will come back  
Baby, you know  
You'll never do wrong, huh Since you been gone, since you been gone  
I'm outta my head, can't take it  
Could I be wrong? But since you been gone  
You cast the spell, so break it  
Whoa, ohh, ohh, ohh  
Ever since you been gone Since you been gone, since you been gone  
I'm outta my head, can't take it  
Since you been gone, since you been gone
