

Superstar

Room 94

(Girl, you are my superstar! Superstar! Superstar!
Girl, you are my superstar-star-star-star-star!)

Looking in the magazines or video
Here we go
Girls, but not for me
Hiding behind make up
With that fake brown glow
I'm smiling!
Cause you're next to me
Yeah, they may be hot
But there's nothing up top
You know you're my T.T.P
My eyes are only for the girl I've got
So loose your insecurities

Boys! Will be boys! Chasing prizes
Fighting over perfect tens
You're all that I ever want me beautiful
Than all of them

Ooo whoaooooo, oo, oo, oo
The only part of me I'm loving is you
(Girl, you are my superstar!)
Ooo whoaooooo, oo, oo, oo
I'm watching every little things that you do
(Girl, you are my superstar!)
Girl, you are my superstar!
You know you're my superstar!
Say you're not I say you are
Say you are!
Ooo whoaooooo, oo, oo, oo
I'd wait for hours for a picture with you!
(Girl, you are my superstar!)

If you let me take you to a premiere
Leave your hair
You're perfect! Just the way you are
To be another girl in another black dress

Ripped jeans are what make you are star!

Boys! Will be boys! Chasing prizes
Fighting over perfect tens
You're all that I ever want me beautiful
Than all of them
Girl take your place right beside me
You're all that I'll ever need
Promice me you're changing nothing,
Changing nothing, changing nothing

Ooo whoaooooo, oo, ooo, oo
The only part of me I'm loving is you
(Girl, you are my superstar!)
Ooo whoaooooo, oo, ooo, oo
I'm watching every little things that you do.
(Girl, you are my superstar!)
Girl, you are my superstar!
You know you're my superstar!
Say you're not I say you are
Say you are!
Ooo whoaooooo, oo, ooo, oo
I'd wait for hours for a picture with you!

Girl, you are my superstar, superstar, superstar
Girl, you are my superstar
Say you're not I say you are
Girl, you are my superstar, superstar, superstar
Girl, you are my superstar
Say you're not I say you are

Oooooooo, oo, ooo, oo
The only part d me I'm loving is you
(Girl, you are my superstar!)
Oooooooo, oo, ooo, oo
I'm watching every little things that you do.
(Girl, you are my superstar!)
Girl, you are my superstar!
You know you're my superstar!
Say you're not I say you are
Say you are! Say you are!
Girl, you are my superstar
Girl, you are my superstar
Say you're not I say you are
Say you are!
