What About Now

Colton Dixon

you wanna start a fire
it only takes a spark
you gotta get behind the wheel
if you're ever gonna drive that car
if you wanna take a bite
you better have the teeth
if you wanna take that step
then get up off of your knees
cause tonight, we're alive
we'll stand for the restless, and the lonely
for the desperate, and the hungry
down for the count, i'm hearin' you now,
for the faithful, the believer,
for the faithless, and the teachers
stand up and be proud,
what about now?
you wanna start a fight,
you gotta take a swing,
you gotta get your hands in the dirt,
to see what the harvest will bring,
you wanna raise your voice,
don't be scared to breath,
don't be afraid to hurt,

don't be ashamed to need.
cause tonight, we're alive
we'll stand for the restless, and the lonely
for the desperate, and the hungry
down for the count, i'm hearin' you now,
for the faithful, the believer,
for the faithless, and the teachers
stand up and be proud,
what about now?
Believe for like reasons that drift trough the seasons, still dreams aren't just bad, dark and grey
And all of your plans that slip right through your hands are just sins that you take to your grave...
tonight...
we're alive...
we'll stand for the restless, and the lonely
for the desperate, and the hungry

down for the count, i'm hearin' you now,
for the faithful, the believer,
for the faithless, and the teachers
stand up and be proud,
what about now?
what about now?
what about now?
what about now?
