August Moon

Ottmar Liebert

August Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe?In August Moon, let me follow you
In August Moon, let me follow you downAugust Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe?In August Moon, let me follow you
In August Moon, let me follow you down
Let me follow you downDown to the Seven Seas, places I'll never be
Down to the Seven Seas, places I, I've never beenAugust Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, do you believe?In August Moon, let me follow you
In August Moon, let me follow you down
Let me follow you downDown to the Seven Seas, places I'll never be
Down to the Seven Seas, places I'll never be
Down to the Seven Seas, places I, I've never beenAugust Moon, where are you?
August Moon, over the sea
August Moon, where are you?
August Moon, let me believe
