

The Happening (GeeJay2001 extended remix)

The Supremes

Hey! Life, look at me, I can see the reality
'Cause when you shook me, took me outta my world, I woke up
Suddenly I just woke up to the happening
When you find that you left the future behind
'Cause when you got a tender love you don't take care of
Then you better beware of The happening
One day you're up, when you turn around
You find your world is tumbling down
It happened to me and it can happen to you I was sure, I felt secure until love took a detour
Yeah! Riding high on top of the world, it happened
Suddenly it just happened
I saw my dreams torn apart
When love walked away from my heart
And when you lose a precious love you need to guide you
Something happens inside you The happening
Now I see life for what it is
It's not of dreams, it's not of bliss
It happened to me and it can happen to you
And then it happened
Oo, and then it happened
Oo, and then it happened
Oo, and then it happened
