

Do It (Chrome Canyon Remix)

Tuxedo

Ooh I got a new one for ya

I like the way that sounds

I'm 'bout to do it for ya

I like to break it down

This joint has got me open

Ooh that's my favorite song

I put my thang in motion

I do it all night long

Ooh I got a new one for ya

I like the way that sounds

I'm 'bout to do it for ya

I like to break it down

This joint has got me open

Ooh that's my favorite song

I put my thang in motion

I do it all night long Do it, do it, do it

Ohh here I go again

(i gotta hit em with a)

Do it, do it, do it

Do it, do it, do it

Do it (again) Ooh I got a new one for ya

I like the way that sounds

I'm 'bout to do it for ya

I like to break it down

This joint has got me open

Ooh that's my favorite song

I put my thang in motion

I do it all night long

Ooh I got a new one for ya

I like the way that sounds

I'm 'bout to do it for ya

I like to break it down

This joint has got me open

Ooh that's my favorite song

I put my thang in motion

I do it all night long I've been working hard and now the weekend is here

(give it your best shot

Show me what you got)

It's time to light one put it in the atmosphere

(give it your best shot
Show me what you got)
I got that lightning feeling from my head to my toes
(give it your best shot
Show me what you got)
So tonight I'm really gonna let myself go
(show me what you got)
