

Fuck Tha Police (2005 Studio Version)

Dope

Fuck tha police, fuck tha police Fuck tha police comin' straight from the underground
Motherfucker got it bad 'cause I'm loud
I'm not a carbon copy, so police think
They have the authority to kill a minority Fuck that shit 'cause I ain't the one
For a punk motherfucker with a badge and a gun
To be beatin' on and throwin' in jail
We can go toe to toe in the middle of a cell Fuckin' with me 'cause I'm a teenager
With a little bit of dough and a pager
Searchin' my car, lookin' for the product
Yeah, motherfucker, I'm sellin' narcotics You'd rather see me in the pen
Then me and my friends, all rollin' in a Benz
Beat a police out of the shape
And when I'm finished, bring the yellow tape To tape off the scene of the slaughter
Still gettin' strong off bread and water
I don't know if they're fags or what
Searchin' me down and grabbin' my nuts Mother fucker on the war path
When I'm finished, it's gonna be a blood bath
Of cops dyin' on my way
Yeah, I got somethin' to say Fuck tha police, fuck tha police
Fuck tha police, fuck tha police
Fuck tha police, fuck tha police Fuck tha police and I said it with authority
'Cause my people on the streets are the majority
The lights are flashin' behind me but you're a scared little fagot
So you mace me to blind me But that shit don't work, I just laugh
'Cause it gives 'em a hint not to step in my path
To police, I'm sayin', fuck you punk
Read my rights and shit, it's all junk Pullin' out a silly club, so you stand
With a fake ass badge and a gun in your hand
But take off the gun, so you can see what's up
We'll go at it punk and I'll fuck you up You drop your gat and I'm gonna blast
Takin' out a police will make my day
Hell yeah, motherfucker, I've got somethin' to say Fuck tha police, fuck tha police
Fuck tha police, fuck tha police
Fuck tha police, fuck tha police
Fuck tha police, fuck tha police Fuck tha police, fuck tha police
Fuck tha police, fuck tha police
Fuck police, fuck police
Fuck police
