

# Murmur

## The Sight Below

Lips are blue, baby blew the sky,  
Baller right from my-y height.  
I can't rest these eyes,  
How long? Sleep tight, yeah.  
Sha-la-la-la-la-na day cause they can hear my house,

(Non-chalant expletive.)(Pronounced "Mroy")  
La-la-de cause they did anything ah-ha,  
Feet is clay.
