

We Love You

Orchestral Manoeuvres In the Dark

Gotta get a message to the stars in our pockets for a rainy day
But here we are, in trouble like we always are
Just praying for a miracle
Reaching for the stars We love you
Would die for you
We need you everyday We've gotta get a message
We love you
Would die for you
We need you everyday
Oh, we love you
Wouldn't leave you
We miss you faraway It's just another promise
Like we've heard before
Never really knowing what we're fighting for We love you
Would die for you
We need you everyday
Oh, we love you
Wouldn't leave you
We miss you faraway We love you
Would die for you
We need you everyday
Oh, we love you
Wouldn't leave you
We miss you faraway We love you
Would die for you
We need you everyday
Oh, we love you
Wouldn't leave you
We miss you faraway
