Sugar Chocolate

Danko Jones

Mama, if you want a little bit of some
chocolate with your sugar
I can deliver it I can deliver it right to your door
RepeatMama, I know what you call me when
my back is turned around
You call me sugardaddy, sugardaddy, sugardaddy #1
I said mama, I know what you call me when
my back is turned around
You call me sugardaddy, sugardaddy, sugardaddyBut I like itBuy the Sugar by the pound (2x)
Oh yeah baby
Buy the Sugar by the pound (2x)Now if you want some chocolate with your sugar,
some cream with your coffee,
some butter with your scotch....
You can call it cocoa butter or you can call it white chocolate
but baby, I just call it deliciousGo on and know whyBecause it tastes so good!
It tastes so good, yeah
