You Can Get Over

Stephanie Mills

You can get over
Everybody wants to make the rules
Got to get high [Higher]
You don't want to be nobody foolAnd I believe that somehow
We can be the things we need to beYou can get over
Don't let nobody tell you, you can't fly
Makin' it better [Better]
You can make it if you tryGonna show you, get up and take your stand
Cause I know you got the power in your hand
Feel it glowin' in every child, woman, and man
OohÃ¢?Â¦oohÃ¢?Â¦Ey hey
OhÃ¢?Â¦You can get over
The best if life is free
Takin' it higher
Open your eyes, you will surely seeCause I believe this world can be
A place of peace and harmonyGonna show you, get up and take your stand
Cause I know you got the power in your hand
Feel it glowin' in every child, woman, and man
Ooh ohOhÃ¢?Â¦you got the power in your hand
Uh, don't you know that you got to take your stand, eee, hee [Get up]
You got the power in your hand
Don't you know that you got to take your stand, you hooYou know you can make it, oh, yeah, youÃ¢?Â¦ohÃ¢?Â¦
You can make it, ohÃ¢?Â¦
You gotta, gotta, gotta, gotta take your stand[Get up, get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get up, get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get down, get up]
[Get up, get down, get up]
[Ah yee ah yee ah][Get down, get up]
[Get up, get down, get up]
