

Tell Me This

Colby O'Donis

Hey, my name's Colby
I know this is kinda out there
But I been starin at you
From across the room and
Well, like, can I talk to you for a second?
I've been thinkinBaby, you can do better
Better than the average show
But the question is do you wanna
Cause you've heard this all before
You gotta be tired of the same things
The same old tunes, the same old gamesGirl, I know you searchin
For the right type of guy
I can be, be that guy
But I wanna take my time with you
No rushin, no rushin
Take my time with you
So I'll start by askin you toTell me this
Girl, what's your name?
And I'll tell you that
Ooh, you look so goodTell me this
Can I get your number?
'Cause I really wanna talk to you
Wanna get to know you
I just can't stop thinkin bout youTell me this

Cause it's a sat you've never been
I'll buy a dozen roses
And put a diamond on your handI'll take you on the road
To all my shows
