We're Gonna Find It

Barbie

Here we are, far from home and a little bit hungry and a little alone
But it?s alright, yes, it?s alright
Cause in this room there might be friends, can?t see how the story ends
But it?s alright, yeah it?s alright
We can start anew
We can?t go back so we gotta go on, We?ll stick together staying strong
There?s a diamond castle in my mind and someday soon we?re gonna find it
We?re gonna find it, we?re gonna find it, we?re gonna find it

Somehow things are looking up, feeling like we?ve changed our luck
I can see life, in a new light
Can?t stay long, passing through, don?t know where we?re going to
But it?s alright, cause we just might,
find our way that?s true
We can?t go back so we gotta go on, We?ll stick together staying strong
There?s a diamond castle in my mind and someday soon we?re gonna find it
We?re gonna find it, we?re gonna find it,
we?re gonna find the perfect place for us to be and hear our melodies set free
climb a highest mountain just to see
to see...

We can?t go back so we gotta go on, We?ll stick together staying strong
There?s a diamond castle in my mind and someday soon we?re gonna find it(x2)
We?re gonna find it, we?re gonna find it, we?re gonna find it, We?re gonna find it, we?re gonna find it
we?re gonna find it, someday soon...
