

Hold Me Tight

[Billie Jo Spears](#)

Well I don't wanna hear it no more fussin' and a fightin' baby hold me tight
Let's let bygones be bygones let's think about tomorrow or our future's bright
Well I know I was wrong but I was just a fool too blind to see
You were the only one for me
Ah but now I see the light and everything's gonna be alright baby hold me tight
Pa pa pa pa pa
Well I know I was wrong...
