

# Street Life

## Beenie Man

Yo, sometime you have to just be a man  
And apologize to your woman, ya star  
The amount of ting whe you put her through  
Rock this When a girl cry 'cause of you  
Not one ting you can say or do  
Make any man go change his mind  
No matter what you wanna do First you find it hard to speak  
Girl straight out make a brother weak  
Killin' me softly every time  
And all that I can be On the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street life On the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street life For all the troubles I brought ya  
For all the time that you cried  
Baby, for that I apologize, apologize For all the time that I've hurt ya  
For bringing tears to your eyes  
Baby, for that I apologize, apologize Well, I can see it in your eyes  
No telling you no lies  
Girl, I did you wrong  
You'll never find another guy So this is what we got to do  
Make a family 'cause it's true  
Girl, you are a part of me  
My heart belongs to you 'Cause I can see it in your eyes  
No telling you no lies  
Girl, I did you wrong  
You'll never find another guy This is what we got to do  
Make a family 'cause it's true  
Girl, you are a part of me  
My heart belongs to you now On the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street life On the street just ballin'  
Girls have been callin'

Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street lifeDo you understand the feeling when I'm feeling  
When I tell you how I'm feeling  
When I'm feeling that wayCan't get over how you make everything better, girl  
When you are around me, you bring joy to my day  
Don't know what I will do without you in my life  
I don't give a damn about what people wanna sayAll I'm saying that, what  
This is where I'm at, at  
And I'd do anything to make you stayOn the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street lifeOn the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street lifeOn the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street lifeOn the street just ballin'  
Girls have been callin'  
Drop top fallin'  
Brothers keep rollin'  
Livin' nothing but a street life, street lifeLivin' nothing but a street life
