

Roses

Shawn Mendes

[Verse 1]

It's not that I'm afraid I'm not enough for her
It's not that I can't find the words to say
But when she's with him, she seems happier
And I don't want to take that away[Pre-Chorus]
How many times can I see your face?
How many times will you walk away?
I just have to let you know[Chorus]
I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby
Tell me If I'm wrong, and this is crazy
But I got you this rose
And I need to know
Will you let it die or let it grow?
Die or let it go?[Verse 2]

It's not that I don't care about the love you have
It's not that I don't want to see you smile
But there's no way that he can feel the same
Cause when I think of you my mind goes wild[Pre-Chorus]
How many times can I see your face?
How many times will you walk away?
I just have to let you know[Chorus]
I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby
Tell me If I'm wrong, and this is crazy
But I got you this rose
And I need to know
Will you let it die or let it grow?
Die or let it go?[Bridge]

You can tell me stop if you already know
Though I'm not sure my heart can take it
But the look on your face says don't let me go[Chorus]
I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby
Tell me If I'm wrong, and this is crazy
But I got you this rose

And I need to know
Will you let it die or let it go?[Chorus]
I'm not tryna start a fire with this flame
But I'm worried that your heart might feel the same
And I have to be honest with you baby
Tell me If I'm wrong, and this is crazy
But I got you this rose
And I need to know
Will you let it die or let it go?
