

Naked Love

Adam Lambert

Oh whoa yeah yeah yeah
Oh whoa yeah yeah yeah
Lose control
Collision course
with you my love
Call 911
So ro-o-oll the dice
Get lucky tonight
I know you're holding back
No more hesitation
Come on
I want your naked love
So dontcha dress it up tonight
Come on
you know your naked love
is what I'm dreaming of tonight

Oh whoa yeah yeah yeah
Oh whoa yeah yeah yeah

Take it off
and try me on
The hottest threads
you ever wore
So ro-o-oll the dice
Get lucky tonight
I know you're holding back
No more hesitation

Just come on
I want your naked love
So dontcha dress it up tonight
Come on
you know your naked love
is what I'm dreaming of tonight

Oh whoa yeah yeah yeah
Oh whoa yeah yeah yeah
