

# Falling Down

## Slut

why am I here alone - no one around been shattered to the bone - underground what am I waiting for - very  
strange to reach another shore - nothing ever changed this ain no state of mind when everything gets red I trying  
to be kind - sort of different head can you hear me falling down can you hear me falling down can you hear me  
falling down can you hear me why is it up to me is it always falling to pieces instead a hundred memories -  
forget Ie been through which voice was loud enough to push my thoughts I not that rough - quickly caught this  
ain no state of mind when everything gets red I trying to be kind - sort of different head can you hear me falling  
down can you hear me falling down can you hear me falling down can you hear me why is it up to me why is it  
always up to me
