Illegal

Shakira

Who would have thought
That you could hurt me
The way you've done it
So deliberate, so determinedAnd since you have been gone
I bite my nails for days and hours
And question my own questions on and onSo tell me now, tell me now
Why you're so far away?

When I'm still so closeYou don't even know the meaning of the words, I'm sorry
You said you would love me until you die

And as far as I know you're still alive, babyYou don't even know the meaning of the words I'm sorry I'm starting to believe

It should be illegal to deceive a woman's heartI tried so hard to be attentive, to all you wanted Always supportive, always patient, what did I do wrong?

Wondering for days and hours

It's clear, it isn't here where you belong Anyhow, anyhow

I wish you both all the best

I hope you get alongBut you don't even know the meaning of the words I'm sorry You said you would love me until you die

And as far as I know you're still alive, babyYou don't even know the meaning of the words I'm sorry I'm starting to believe

It should be illegal to deceive a woman's heartYou don't even know the meaning of the words, I'm sorry
You said you would love me until you die

And as far as I know you're still alive, babyYou don't even know the meaning of the words I'm sorry I'm starting to believe

It should be illegal to deceive a woman's heartOpen heart, open heart
It should be illegal to deceive a woman's heart
Open heart, open heart
It should be illegal to deceive a woman's heart
