Wild Honey

U2

In the days
When we were swinging from the trees
I was a monkey
Stealing honey from a swarm of bees
I could taste
I could taste you even then
And I would chase you down the windYou could go there if you please
Wild honey
And if you go there, go with me
Wild honeyDid I know you?
Did I know you even then?
Before the clocks kept time
Before the world was madeFrom the cruel sun
You were shelter
You were my shelter and my shadeIf you go there with me
Wild honey
You can do just what you please
Wild honey
Yeah, just blowing in the breeze
Wild honey
Wild, wild, wildI'm still standing, I'm still standing
Where you left me
Are you still growing wild
With everything tame around you?I send you flowers
Cut flowers for your hall
I know your garden is full
But is there sweetness at all?Oh oh ohIf you go there go with me
Wild honey
Won't you take me, take me please
Wild honey
Yeah, swinging through the trees
Wild honey
Wild, wild, wild
