

# Wild Honey

U2

In the days  
When we were swinging from the trees  
I was a monkey  
Stealing honey from a swarm of bees  
I could taste  
I could taste you even then  
And I would chase you down the wind You could go there if you please  
Wild honey  
And if you go there, go with me  
Wild honey Did I know you?  
Did I know you even then?  
Before the clocks kept time  
Before the world was made From the cruel sun  
You were shelter  
You were my shelter and my shade If you go there with me  
Wild honey  
You can do just what you please  
Wild honey  
Yeah, just blowing in the breeze  
Wild honey  
Wild, wild, wild I'm still standing, I'm still standing  
Where you left me  
Are you still growing wild  
With everything tame around you? I send you flowers  
Cut flowers for your hall  
I know your garden is full  
But is there sweetness at all? Oh oh oh If you go there go with me  
Wild honey  
Won't you take me, take me please  
Wild honey  
Yeah, swinging through the trees  
Wild honey  
Wild, wild, wild
