

# Cursed Male

## Porno for Pyros

All the guys  
That really have the money  
Are too old  
To have a good time with it Too old to turn the women on  
Too old to have a fast car and drive it All the guys  
That really have the money  
Are too old  
To party or get dirty Too old to turn the women on  
Too old to have a fast car and drive it
