

Sweet Pain - Original Guitar Solo

Kiss

Ahh
My leathers fit tight around me
My whip is always beside me
You want the same thing every day
I'll teach you love a different way
You'll learn to love me and my sweet painMy love will drive you insane
Sweet pain, my love will drive you insaneAnd pain has got its reason
And if you don't stop your teasin', baby
I'm gonna show you now
You'll get your lovin' anyhow, anyhow
And you'll get to love me and my sweet painMy love will drive you insane
Ahh, sweet pain, my love will drive you insaneAhh, you get to love me any way I say
Ahh, you get to love me and my sweet painOh
Pain has got it's reason
You find it pleasin', yes you do, yes you do
And I'm gonna show you now
You'll get to love it anyhow, anyhow and
You'll get to love me and my sweet painMy love will drive you insane
Ahh, sweet pain, my love will drive you insane
Sweet pain my love will drive you insane
Sweet pain my love will drive you insane
Ahh, sweet pain (sweet pain) my love will drive you insane
Sweet pain my love will drive you insane
Sweet pain (sweet pain) my love will drive you insane
Sweet pain (sweet pain) my love will drive you insane
