

# Hold Your Hand

Paul Oakenfold

Maybe I find it hard  
Watchin' you live  
Maybe I find the truth  
Questions I can't bare  
Feelin' so tired  
I'm wonderin' where  
Selfish love inspires Are you there to hold my hand?  
Savin' me who I spy Maybe you are the rain  
Who makes my eyes closed  
Ocean's spray and gray  
Feelin' my despair  
Your happy smile is broken  
I'm wonderin' there  
Selfish love has spoken  
(Selfish love has spoken) Are you here to hold?  
Are you there to hold my hand?  
Selfish love has spoken  
(Savin' me who I spy) Are you here to hold?  
Are you there to hold my hand?  
Selfish love has spoken  
(Savin' me who I spy) Are you here to hold?  
Are you there to hold my hand?  
Selfish love has spoken  
(Savin' me who I spy)
