Sara Smile

Rumer

Baby hair with a woman's eyes I can feel you watching in the night All alone with me And we're waiting for the sunlightWhen I feel cold, you warm me And when I feel I can't go on You come and hold me It's you and me foreverSara Smile Won't you smile a while for me? SaraIf you feel like leaving you know you can go But why don't you stay until tomorrow? And If you want to be free You know all you got to do is say soAnd when you feel cold, I'll warm you And when you feel you can't go on I'll come and hold you It's you and me foreverSara Smile Won't you smile a while for me? Sara, SaraSara Smile Won't you smile a while for me? Sara, SaraWon't you smile a while for me? Sara, Sara
