

Two Worlds (Phil Version)

Phil Collins

Put your faith in what you most believe in
Two worlds, one family
Trust your heart
Let fate decide

To guide these lies we see A paradise untouched by man
Within this worlds blessed with love
A simple life, they live in peace Softly tread the sand below your feed now
Two worlds, one family
Trust your heart
Let fate decide

To guide these lives we see Beneath the shelter of the trees
Only love can enter here
A simple life, they live in peace Raise your head up
Lift high the load
Take strength from those that need you
Build high the walls
Build strong the beams
A new life is waiting

But danger's no stranger here No words describe a mother's tears
No words can heal a broken heart
A dream is gone, but where there's hope Somewhere something is calling for you
Two worlds, one family
Trust your heart
Let fate decide
To guide these lives we see
