Don't Stay

S.L

Sometimes I need to remember just to breathe
Sometimes I need you to stay away from me
Sometimes Im in disbelief, I didnt know
Somehow I need you to goDont stay, forget our memories
Forget our possibilities
What you were changing me into
Just give me myself back andDont stay, forget our memories
Forget our possibilities
Take all your faithlessness with you
Just give me myself back and dont staySometimes I feel like I trusted you too well
Sometimes I just feel like screaming at myself
Sometimes Im in disbelief, I didnt know
Somehow I need to be aloneDont stay, forget our memories
Forget our possibilities
What you were changing me into
Just give me myself back andDont stay, forget our memories
Forget our possibilities
Take all your faithlessness with you
Just give me myself back and dont stayI dont need you anymore, I dont want to be ignored
I dont need one more day of you wasting me away
I dont need you anymore, I dont want to be ignored
I dont need one more day of you wasting me away
(With no apologies)Dont stay, forget our memories
Forget our possibilities
What you were changing me into
Just give me myself back andDont stay, forget our memories
Forget our possibilities
Take all your faithlessness with you
Just give me myself back and dont stay
Dont stay
Dont stay
