

# Don't Stay

S.L

Sometimes I need to remember just to breathe  
Sometimes I need you to stay away from me  
Sometimes Im in disbelief, I didnt know  
Somehow I need you to goDont stay, forget our memories  
Forget our possibilities  
What you were changing me into  
Just give me myself back andDont stay, forget our memories  
Forget our possibilities  
Take all your faithlessness with you  
Just give me myself back and dont staySometimes I feel like I trusted you too well  
Sometimes I just feel like screaming at myself  
Sometimes Im in disbelief, I didnt know  
Somehow I need to be aloneDont stay, forget our memories  
Forget our possibilities  
What you were changing me into  
Just give me myself back andDont stay, forget our memories  
Forget our possibilities  
Take all your faithlessness with you  
Just give me myself back and dont stayI dont need you anymore, I dont want to be ignored  
I dont need one more day of you wasting me away  
I dont need you anymore, I dont want to be ignored  
I dont need one more day of you wasting me away  
(With no apologies)Dont stay, forget our memories  
Forget our possibilities  
What you were changing me into  
Just give me myself back andDont stay, forget our memories  
Forget our possibilities  
Take all your faithlessness with you  
Just give me myself back and dont stay  
Dont stay  
Dont stay
