

Hope It Felt Good

[Nikka Costa](#)

Y'all know my steelo What if I was the one to leave your sorry ass behind?
What if all these tears that're falling were yours instead of mine, babe?
What if I was [Incomprehensible] wiser by the minute?
What if I knew your were making a bed and just who was lying in it? Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good And, what if I just wipe the floor with your love without even thinking?
What if the thread you were hanging on
Had you strung out on wishful thinking?
I've become clearer since I came out from under the wrong impression
I've been stuck on the detour, baby, heading in the wrong direction Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good I hope it felt good Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good Hope it felt good to say you love her
Hope it felt good, baby, baby, baby
Hope it felt good to be with another
Hope it felt good I hope it felt good
I hope it felt good
I hope it felt good for you, baby
I hope it felt good for you, baby
I hope it felt good for you, baby Alright
Didn't it feel good, baby?
I hope it felt good
I hope it felt good Didn't it feel good?
Didn't it feel good?
