Yeah, It's Hamilton Park ladies
And you know we gotta pay homage
To the godfathers of the game
Mr. Aaron Hall, Teddy Riley, Timmy Gatling
Oh yeah Mr. Crazy Legs himself Damien Hall
And yeah this ain't no game right here
HP, We do this

I do love you
You can have a
Piece of my love
It's waitin' for you
Girl it's true
You can have a
Piece of my love
It's waitin' for you
Girl it's true
You can have a

Baby you can't have all of me
'Cause I'm not totally free
I can't tell you everything
That's goin' on, no I can't let you know
There's a few things in my past
That should not be explained
I'm askin' you baby
Please stay, for a 'lil while

Please hush
No questions asked
Lay back, relax girl
Kick off your shoes
Lay your pretty head down
Since you're here now
I'm givin' you a piece of my love
You can have a

You can have a
Piece of my love

It's waitin' for you
Girl it's true
You can have a
Piece of my love
It's waitin' for you
Girl it's true
You can have a

Girl, I know that this is wrong
But the feeling's too strong
I want this to last forever
But it wouldn't be the same
Tell me who would be to blame?
If we were to hurt all over again?
So Please

Please hush baby
No questions asked
I just want you to lay back and relax
So take off your shoes
Lay your sexy ass down
It's happening now, baby
I'm gonna give you a piece of my love

You can have a
Piece of my love
It's waitin' for you
Girl it's true
