

Every Little Thing She Does Is Magic

The Police

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her I just lose my nerve
As I've done from the start Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on Do I have to tell the story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet. Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on I resolved to call her up a thousand times a day.
And ask her if she'll marry me in some old fashioned way.
But my silent fears have gripped me long before I reach the phone
Long before my time has tripped me must I always be alone Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on Oh yeah oh yeah oh yeah
Every little thing, every little thing, every little thing, every little thing
Every little, every little, ever little, every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does Beo, beo, beo, beo, beo, beo, beo, beo
Beo, beo, beo, beo, beo, beo, beo, beo Every little thing
Every little thing
Every little thing
She do is
Magic, magic, magic
Magic, magic, magic Hey oh yo oh
Beo Ah
Thousand rainy days since we first met
It's a big enough umbrella, but it's always me that ends getting wet
