

# Love's Made a Fool of You

Buddy Holly

Love can make a fool of you  
You'd do anything it wants you to Love can make you feel so good  
When it goes like you think it should  
Or it can make you cry at night  
When you're baby don't treat you right When you're feeling sad and blue  
You know love's made a fool of you You know love makes fools of men  
But you don't care, you're gonna try again Time goes by, it's a passing past  
You think that love has come at last  
But by and by you're gonna find  
Crazy love has made you blind When you're feeling sad and blue  
You know love's made a fool of you Love can make you feel so good  
When it goes like you think it should  
Or it can make you cry at night  
When you're baby don't treat you right When you're feeling sad and blue  
You know love's made a fool of you
