Ripped Off

Today Is The Day

I tore it in two,
And no one saw.Please heal me,
I need this.The sea rages on.Ripped off, ripped off. [x2]Ripped off, Ripped off, Yeah!The last time, ripped off.This time...I'm free...[x2]I'M FREE! [x2]As my pledge,
I say to you,
I promise.
