

Ripped Off

Today Is The Day

I tore it in two,
And no one saw. Please heal me,
I need this. The sea rages on. Ripped off, ripped off. [x2] Ripped off, Ripped off, Yeah! The last time, ripped
off. This time... I'm free... [x2] I'M FREE! [x2] As my pledge,
I say to you,
I promise.
