

Seeds of Rebellion

Scar Symmetry

War seeks revenge upon all peace
A turning of the tide again
Turmoil risingUnleash the boiling chaos
Once veiled by mists of liesTurmoil slowly kills the calm
Uncertain paths are entered now
Certainty shatteredPassive ways abandoned
Bring to life the seeds of rebellion
One more page is turned
Chapters of rage, all that remainsOpening the eye of destruction
Sowing now the seeds of war
The has come for deconstruction
Let the boiling chaos soarPassive ways abandoned
Bring to life the seeds of rebellion
One more page is turned
Chapters of rage, all that remainsOpening the eye of destruction
Sowing now the seeds of war
The has come for deconstruction
Let the boiling chaos soar
