

Woman In Me

Jessica Simpson

The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see As I'm lookin' here, lookin' in the mirror I see
Life is really here to be with me, oh
I can see myself getting stronger everyday
I'm not the same woman I used to be So now I tell myself that I am big and strong
I see the beauty lyin' within my soul The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see When I allow myself I can do whatever I want
Doesn't matter what you do to me
Oh no, honesty for me, guess the possibilities
Tell you my way of reality, yeah The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see Can you see the woman in me?
Do you really wanna see the woman in me?
Let me show you Don't underestimate the woman I've become
The woman that I am
So now I tell myself that I am big and I'm strong
And I see the beauty lyin' within my soul The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see The face that I see is the woman in me
Is the woman that I wanna be
The face that I see is the woman in me
Is the woman in me I see
