Hold On Me

Marlon Roudette

Seems you got a hold on me
Really got a hold on me
Just let me keep a piece of me
Go ahead take the rest of me

You are my best friend
You are my worst of enemies
You are my lover
You brought me to my knees

And all this time both of us were wrong
And I just blamed myself
You break me down till I got nothing else
I can't lie to myself

Tell me are we only casualties spinning out of love
So no more, no more
Help me tear us from this tragedy
I don't wanna lose our love
So come on, come on

At times I start to wonder
I don't recognize myself
You compare me to the others
But I can't be nobody else

Seems you got a hold on me
Really got a hold on me
So let me keep a piece of me
Go ahead take the rest of me

All this time both of us were wrong
And I just blamed myself
You break me down till I got nothing else
I can't lie to myself

Tell me are we only casualties spinning out of love
So no more, no more
Help me tear us from this tragedy
I don't wanna lose our love

So come on, come on
So come on, come on
