

# (I've Had) The Time Of My Life

Bill Medley

Now I've had the time of my life  
No, I never felt like this before  
Yes I swear it's the truth  
And I owe it all to you 'Cause I've had the time of my life  
And I owe it all to you I've been waiting for so long  
Now I've finally found someone to stand by me  
We saw the writing on the wall  
And we felt this magical fantasy  
Now with passion in our eyes  
There's no way we could disguise it secretly  
So we take each others hand  
'Cause we seem to understand the urgency Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
Till I found the truth  
And I owe it all to you Hey baby, oh yeah yeah yeah With my body and soul  
I want you more than you'll ever know  
So we'll just let it go  
Don't be afraid to lose control, no Yes, I know what's on your mind when you say  
"Stay with me tonight" (stay with me)  
Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door  
(Never felt this way)  
Till I found the truth

And I owe it all to you Yeah, yeah, yeah, yeah  
Oh, whoa, oh, oh Now I've had the time of my life  
No, I never felt this way before (never felt this way)  
Yes I swear it's the truth  
And I owe it all to you I've had the time of my life  
No, I never felt this way before (never felt this way)  
Yes I swear it's the truth  
And I owe it all to you  
'Cause now I've had the time of my life  
And I've searched through every open door  
Till I found the truth  
And I owe it all to you
