

# Grow Up

## Home Grown

Yeah, you tell me that it's time to grow up  
Blah, blah, blah, shut up  
You're just afraid that I'll be better than you I'm just a kid and I'm having fun  
Doin' all the things you never got to do  
You never got to do, oh yeah So you think you can change me  
Control me, restrain me?  
Well I've no, no self-control, no limits, no boundaries  
Content watching wide world crumble around me I keep telling myself  
That I don't need anybody else, I'm doin' fine on my own  
But then again, maybe I'm missing something  
At least that's what they're telling me Yeah, right Don't try to tell me what you think's right  
I don't need your insight on life  
I've made my own way, so I will not change, no Not for anyone, for anyone, for anyone, no one, oh yeah  
For anyone Yeah, you tell me that it's time to grow up  
Blah, blah, blah, shut up  
You're just afraid that I'll be better than you I'm just a kid and I'm having fun  
Doin' all the things you never got to do I keep telling myself  
That I don't need anybody else, I'm doin' fine on my own  
But then again, maybe I'm missing something  
At least that's what they're telling me  
But I'm not going to change Not for anyone, anyone, anyone, anyone, one
