

# Turning Japanese

## The Vapors

I've got your picture of me and you  
You wrote "I love you", I wrote "Me too"  
I sit there staring, and there's nothing else to do  
Oh, it's in colour, your hair is brown  
Your eyes are hazel and soft as clouds  
I often kiss you when there's no one else around

I've got your picture, I've got your picture  
I'd like a million of you, all 'round my cell  
I want a doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up and turning down  
And turning in and turning 'round

I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so  
I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so

I've got your picture, I've got your picture  
I'd like a million of them, all 'round my cell  
I want a doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up and turning down  
And turning in and turning 'round

I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so  
I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so

No sex, no drugs, no wine, no women

No fun, no sin, no you, no wonder it's dark  
Everyone around me is a total stranger  
Everyone avoids me like a psyched Lone Ranger, everyone

That's why I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so  
I'm turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so

Turning Japanese, I think I'm turning Japanese  
I really think so  
Turning Japanese, I think I'm turning Japanese  
I really think so  
I'm turning Japanese, I think I'm turning Japanese  
I really think so (think so, think so, think so)  
Turning Japanese, I think I'm turning Japanese  
I really think so
