

# Day 1

## Leslie Grace

Nunca pense enamorarme así de los pies a la cabeza  
Had me feel like a little girl in a fairytale, como un cuento de princesa  
Nunca pense jamás amar así  
Y apareciste tu  
It hasn't been too long since I've been with you, but I think  
we got a situation (yeah) Deje mi alma navegar, mi miedo descanso  
Quisiste conquistar y al escuchar tu voz  
Sabia que eras tu y yo,  
Yo no he sentido nada igual  
me robaste el corazón From  
Day 1 (3x)  
Yeah you really had my heart from  
Day 1 (3x)  
Me robaste el Corazón from Day 1 Mi anhelo es amarte, ayudarte Y arroparte con mi luz  
Yeah it's love with you and no one does it like you do El verdadero amor  
No sabe del dolor  
Me lo enseñaste así Nunca pense jamás amar así  
Y apareciste tu  
It hasn't been too long since I've been with you, but I think  
we got a situation (yeah) Deje mi alma navegar, mi miedo descanso  
Quisiste conquistar y al escuchar tu voz  
Sabia que eras tu y yo,  
Yo no he sentido nada igual  
me robaste el corazón From  
Day 1 (3x)  
Yeah you really had my heart from  
Day 1  
Day 1 (Yeah, yeah) (2x)  
Me robaste el Corazón from Day 1 Yes you had me, had me from Day 1 (2x)  
Day 1 (4x)  
Yeah you really had my heart from  
Day 1 (3x)  
Me robaste el Corazón from Day 1 Yes you had me, had me from Day 1
