

S.e.x.

Nickelback

You know there's a dirty word
Never gonna say it first
No, it's just a thought
That never crosses my mind
Maybe in the parking lot
Better bring your friend along
Better rock together
Than just one at a time
S is for the simplicity
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want
Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes, yeah
I'm loving what you wanna wear
I wonder what's up under there
Wonder if I'll ever have it
Under my tongue
I'll love to try to set you free
I love you all over me
Love to hear the sound you make
The second you're done
S is for the simplicity
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want
Yes, sex is always the answer, it's never a question

'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes
Yeah, yeah, yeah
(Yes)
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
S is for the simplicity

E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want
Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes, yeah
Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes
Yeah, yeah, yeah
(Yes)
Yeah, yeah, yeah
Yeah, yeah, yeah
(Yes)
Yeah, yeah
Yeah, yeah, yeah
(Yes)
Yeah, yeah
