

# Keep It a Secret

**Slim Whitman**

If you see my darling with somebody new  
Keep It A Secret whatever you do  
Why should you tell me and break my poor heart  
Then foolish pride would just drive us apart  
If you see my darling in some rendezvous  
Painting the town with a boy she once knew  
Pay no attention and just let it be  
But Keep It A Secret from me  
If you see my darling in some rendezvous  
Painting the town with a boy she once knew  
Pay no attention and just let it be  
But Keep It A Secret from me.
