## **Lost Highway**

## **Bon Jovi**

Hey hey! Hey hey! In my rear view mirror, my life is getting clearer

The sunset sighs and slowly disappears

These trinkets once were treasure, life changes like the weather

You grow up, grow old or you hit the road round hereSo I drive, watching white lines passing by With my plastic dashboard Jesus waiting there to greet usHey hey! I finally found my way, say goodbye to vesterday

Hit the gas, there aint no brakes on this lost highway
Yeah, Im busting loose, Im letting go, out on this open road
Its Independence Day on this lost highway

Hey hey! Hey hey! I dont know where Im going but I know where Ive been And Im afraid of going back againSo I drive, years and miles are flying by

And waiting there to greet us is my plastic dashboard JesusHey hey! I've finally found my way, say goodbye to yesterday

Hit the gas, there aint no brakes on this lost highway
Yeah, Im busting loose, Im letting go, out on this open road
Its Independence Day on this lost highway
Hey hey! Oh 'Potton Scipt of Lonely Scyle' tell this boy which

Hey hey! Hey hey! Oh 'Patron Saint of Lonely Souls' tell this boy which way to go
Guide the car, you got the keys, farewell to mediocrity
Kicking off the cruise-control and turning up the radio

Got just enough religion and a half tank of gas, come on, lets go!I've finally found my way, say goodbye to yesterday

Hit the gas, there aint no brakes on this lost highway
Im busting loose, Im letting go, well, I'm out on this open road
Its Independence Day on this lost highway
Hey hey! Hey hey!
Hey hey! On this lost highway
