

Feels Like Home

[Chantal Kreviazuk](#)

 Somethin' in your eyes makes me wanna lose myself
 Makes me wanna lose myself in your arms
 There's somethin' in your voice makes my heart beat fast
 Hope this feelin' lasts the rest of my life If you knew how lonely my life has been
 And how long I've been so alone
 And if you knew how I wanted someone to come along
And change my life the way you've done It feels like home to me, it feels like home to me
 It feels like I'm all the way back where I come from
 It feels like home to me, it feels like home to me
It feels like I'm all the way back where I belong A window breaks down a long dark street
 And a siren wails in the night
 But I'm alright 'cause I have you here with me
And I can almost see through the dark there is light Well, if you knew how much this moment means to me
 And how long I've waited for your touch
 And if you knew how happy you are making me
I never thought that I'd love anyone so much It feels like home to me, it feels like home to me
 It feels like I'm all the way the back where I come from
 It feels like home to me, it feels like home to me
 Feels like I'm all the way back where I belong
 It feels like I'm all the way back where I belong
