One Song

New Kids on the Block

You got something I like, so quit playing
Got me so mesmerized, girl, I'm sizing you upAin't no need to disguise what I'm saying
DJ's got the supply, and he's waiting to playI can feel your body calling, (calling for me)
Calling, baby, I wanna know[Chorus]
Can I have one song, baby?
Dance until we're falling in love
Baby, I'm not leaving the club
I'm staying 'till I show you I am the one
Girl, you're missing
Can you picture me all over you?
We can do anything we wanna do
With one song, baby,
Dance until we're falling in love, the clock is tickingI got something you like, so quit playing
It's all over your eyes that you wanna hook up
We don't need do disguise, I'm saying
We both here at the club and we all grown upCan you feel my body calling?
For you, girl
I wanna know[Chorus]Last call, baby, get off the wall, baby
We can have it all before you drop the ball baby
Last call, baby, get off the wall, baby
We can have it all before you drop the ball baby(4, 3, 2, 1)
Their carrying it down tonight, it's going down tonight,
You know the time is right, baby[Chorus]The clock is ticking
The clock is tickingCan you picture me all over you?
We can do anything we wanna do
With one song, baby
Dance until were falling in love,
The clock is ticking
