

Demon's Eye

Deep Purple

I don't mind just what you say
I never heard you, baby, never heard you anyway
I don't care what you do
Just so long as it ain't me and you Sly, sly, like a demon's eye Everything's good, I said, Everything's fine
You don't know, don't know it's the end of your time
How does it feel to be turned away?
I've known it, baby, almost every day Sly, sly, like a demon's eye I don't need you anymore
I don't want you, baby, hanging round my door
You slip and slide round my brain
You think you're so clever, yeah, but you know you're insane Sly, sly, like a demon's eye I d-d-don't mind just
what you say
I never heard you, baby, I never heard you anyway, no I didn't
Everything's good, everything's fine
You don't know it's the end of your time Sly, sly, like the demon's eye, like the demon's eye
Oh oh yeah, you're so sly baby yeah ooh yeah
You make me feel upside down, oh
[Incomprehensible]
